## 1. Deepavali Celebration 4<sup>th</sup> November 2021

Deepavali is a Hindu celebration of triumph of light over darkness and good over evil. We share with fellow Hindu friends as we decorate Sungei Tengah Lodge (STL) to mark this occasion and witness our Hindu friend exchange gifts, share feasts and perform prayers to deities such as Lakshmi, the goddess of fertility and prosperity.

STL has assisted in distributing donated items to STL residents.

More migrant workers (MW) were encouraged to visit Recreation Centres and there was number of activities held at Kranji Recreation Centre specially for this occasion. Mural artworks, games and lucky draw.

## 2. Buses for STL Residents to visit Little India/Geylang Serai

STL has feedback to MOM/ACE on the responses to the bus service provided by the authorities mentioning the difficulty of 3/4 days advance notice to register for the trips and getting employers to give approval for the MW to register for trips. The 14 Nov 2021 Pilot exercise started to be more flexible on the registration requirements.

STL staff put in effort to inform and register the residents for the bus trips to Little India and Geylang Serai. The response was lacklustre for the 1<sup>st</sup> week and subsequent weeks received more responses.

## 3. Improvement of Centralized Dormitory Facilities (CRF) Services

There were further improvement on the following CRF services:

1. More comprehensive briefing to MW on arrival at CRF
2. Ensure reasonable prices at the mini-mart in CRF
3. Ensure consistency on meals quality and ordering time/delivery

The manager-in-charge and staff were reminded to give a comprehensive briefing and encourage the MOM/ ACE to witness the briefing. Mini-mart items were highlighted to vendor to review its prices. The food vendor is encouraged to monitor as well as increase the quality of meals served to the CRF residents. Vendor also agreed to allow new check-in CRF residents, a shorter order time for meals delivery.

In the first feedback survey on CRF services, STL has consistently perform better than the other CRF operators.

#### 4. Mosque visits

STL participated in dialogue with MOM/ACE to arrange for migrant workers to visit nearby mosque on Sunday. The initial allocated number is 20 pax per session and this was increased after the dialogue feedback by STL.

STL has also feedback to MOM/ACE for more sessions to be provided and to ask the mosque management on whether there is any logistic or manpower needed to support more sessions. There are number of pious MW who are willing to volunteer their services.

STL understands some of its residents are also visiting the nearby mosque on Friday and on other days of the week.

#### 5. Christmas Celebration

From the latter part of November, STL started putting up the Christmas decorations.

The Salvation Army has kindly donated a 3.8m tall Christmas tree which was placed at the entrance of STL. The decorations on the Christmas were all specially hand-made and put together by TSA staff.
