## 1. International Migrants Day 18 Dec 2021/X'mas Party Event

STL together with TSA organised a Season Greetings and Celebration Event with performance, songs and carol singing. This was held at the socialising area #3. The SDM/SMM requires only about 50 seated guests per session and checks carried out on vaccination status. There was overwhelming response for both the 7.30pm and 9.30pm session.

Four churches presented musical items with NCC providing the music backup.

*Christmas performance in STL*

The residents jointly sing along with familiar Christmas Carols. The Tamil songs had the crowd cheering and clapping. Each guest was provided a simple meal and goodie bag. Extra support staff and security staff to manage the crowd control.

## 2. Christmas Bus Tour to Orchard Road

STL together with TSA organised a Christmas Bus Tour to Orchard Road. This is the opportunity to share the season festivities with the participating residents to look at the decorations and lightings. The residents were able to enjoy the Christmas lights at Orchard Road and Christmas games and gifts on this journey.

Each resident was provided with dinner and goodie bag. The response was overwhelming. The joy, laughter and camaraderie shared makes it an enjoyable evening for all.

## 3. Dedicated Facilities (DF) at Sungei Tengah Lodge Block 520

MOM/ACE has appointed TG25 to operate a Dedicated Facilities (DF) at Sungei Tengah Lodge Block 520. The process of discussion, appointment and operation readiness to receive the first resident was less than a week. TG25 scrambled the necessary resources to do deep cleaning for the block, security hoarding to isolate the block and deployment of additional security officers.

DF is for Migrant Worker (MW) coming into Singapore and day#3 check into DF where they will undergo ART supervised from day#3 to day#7 check out if tests' result negative. Each DF-MW will be provided meals, medical support and general housekeeping services. On-line purchase of necessities from the in-house supermarket is available on daily basis. The DF-MW is housed maximum 2 to 3pax/room with maximum 35 pax per floor and each floor to have all sharing same check-in date. Our record shows we had reached maximum usage of 3<sup>rd</sup> floor to 7<sup>th</sup> floor occupancy.

*Deep cleaning by STL cleaners before MW*

*Mask distributed to MW in DF*

#### 4. Table Top Exercise (TTX) Fire Safety Briefing

It is the requirement of SCDF that there should be safety drill for STL. Given the Covid19 situation, this year the Fire Safety Drill is done via TTX Fire Safety Briefing.

A total of 3 TTX done on 13<sup>th</sup> and 14<sup>th</sup> December with all cluster managers and operation staff where all participants were informed about potential hazards, prevention and action to be taken.

The question-and-answer sessions were helpful to clarify doubts and reminder on the seriousness of proper actions needed in time of emergency.

Mr Adam/CPSD has successfully led and complete this briefing exercise.

Mr Adam (STL Security & Fire Safety Manager) giving briefing to STL Staff & commercial tenants

#### 5. Seizure of Contraband Cigarettes

STL security staff has been vigilant and successfully caught residents accepting and selling contraband cigarettes. The assailants acted suspiciously and were seen loitering for some time followed by transaction between parties. The car and rooms were searched and all apprehended by the police. This is one of the biggest hauls for contraband items.

Contraband cigarettes found during the search

#### 6. Donation

STL would like to acknowledge and thank the ST Logistics Pte Ltd and Chef Works Pte Ltd for the donations. These donated items were all distributed to STL staff and residents.

STL staff distributed donated items to residents

ST Logistics representatives together with STL Operation manager and staff

Chef Works handing over donated items to STL COO
