1. 1st May 2022 Labour Day Celebration

This Labour Day Celebration Event is to thank the migrant workers for their hard work and more importantly for their understanding and compliance during Singapore’s Covid-19 journey. There is still restriction for migrant workers to join the local community and this STL event is specifically for the foreign workers community to show we are making effort to share this special day with them. This event guest-of-honour was MOM/ACE Chief Tung Yui Fei.

The overwhelming support by the migrant workers for the sports competition can be strongly felt via the loud cheering, clapping and enthusiasm among the migrant workers. These exuberant spirit and camaraderie are in everyone faces for this Event.

2. 1st May 2022 Arm Wrestling Competition - Final

The Singapore Arm Wrestling Federation provided the qualified judge for event and the final competition was held on stage.

The finals in the 3-weight class provided a good match between contestants and the final competition was witnessed with much jeering, catcalls and applauses. It is a good sport. All brawn and muscle.

Interestingly the ground surface subtly affects the performance of the team but eventually the overwhelming prowess of the winning team able to put up a good challenge against the odds in beating all its competitors.

The final was played on turfed roof of the sheltered vehicle parking area.

The weather was hot but all players were prepared and put up a good competition and all thoroughly enjoyed this opportunity to be out in the open field playing their favourite game. Soccer games are regularly played in the open field of STL and residents are quite proficient. The Soccer games were exciting and entertaining.
