SUNGEI TENGAH LODGE

1. MOM and MOH advisory on mental health

Mental Health Awareness posters was displayed in STL notice boards

At Sungei Tengah Lodge, we deeply care about our residents who have made significant sacrifices to work in Singapore to support their families back home. We actively engage in promoting mental health by displaying notices and actively collaborate with MOM ACE, MOH as part of our ongoing appreciation for the invaluable contributions of our migrant workers.

4. New Futsal Field

2. Deepavali Celebration

Deepavali, also known as the Festival of Lights, is a time of joy, unity and celebration.

At Sungei Tengah Lodge, we embrace this vibrant festival by bringing together our citizens and migrant workers to celebrate the triumph of light over darkness and good over evil.

We would like to extend our heartfelt thanks to The Salvation Army for providing delicious food for our residents and mingling with them. Their support helps us create a memorable and joyous occasion for all.

STL residents celebrated Deepavali with good food, prizes and fun games.

3. NEA Dormitory Inspection

At STL, we prioritize the health and safety of our residents above all else.

To this end, we welcome unannounced visits from NEA to ensure our compliance with health and safety regulations. In October 2024 alone, we received four such visits. These inspections reassure us that our proactive measures are effective in preventing the spread of dengue fever and other transmissible diseases.

NEA Officer visited STLodge to conduct an inspection and assist in dengue prevention.

4. New Futsal Field at STL Roof Terrace

Recently, we installed two (2) futsal courts on the Car Park Roof Terrace, offering a great space for physical activity and team sports. Additionally, we have added extra tentage at the Bear Garden, creating a comfortable area for rest and relaxation. These improvements are part of our ongoing commitment to improving the quality of life for our residents.
