1. National Day Celebration

Happy Birthday Singapore.

9 August 2021 is the 56th years of nation building and TG25 celebrates this occasion by placing the national flags, banners and banners all around the property as support and respect for the nation.

Our staff and residents continue our fight against the Covid19 pandemic and do our part in the nation building.

2. Free Laundry Services for Residents

There is free laundry service for the residents' work clothes. All cluster management have put in extra effort to encourage residents to use this service. On Monday to Saturday evening, there will be designated level representative to take charge and go room-to-room for collection of clothes for washing and returned of cleaned clothes. Residents are discouraged to do their own washing of work clothes in the communal shower facilities to prevent its excessive use affect other residents and water wastage. There are coin-operated washing machines located at the ground floor of each block that is available for residents who prefers to wash their personal clothes.

STL put in the additional resources for room laundry service is reach out to all residents to promote and actively make use of this service.

6. Antigen Rapid Test (ART)

On Wed 25 August 2021, STL was informed by the authorities to do Antigen Rapid Test (ART) for residents in Block 514 and Block 516.

On Thu 26 August 2021, STL was informed by the authorities to do Antigen Rapid Test (ART) for Block 504, level 3 & 4, block 508 level 9 and block 518 level 10.

STL immediately work with ACE/MOM to organise the ART for the affected residents. This exercise is organised after work hour in order to have minimum disturbance to residents' work schedule. The ART is conducted in afternoon for the night-shift workers and evening for the normal day-shift workers. The exercise includes registration, issue of the ART self-testing kit, assisting and guiding on how to use the kit, witnessing the process and certifying the results.
