## 1. Lion Dance to Welcome the New Year

As we welcome the Year of the Snake, we are thrilled to share the festive spirit with all our residents. Chinese New Year is a time of renewal, celebration and togetherness. To mark this joyous occasion, we have organized a Lion Dance performance to share the festive spirit with everyone. We extend our warmest wishes to all our tenants and residents for a prosperous and fulfilling new year.

## 2. Giving of Mandarin Oranges during Chinese New Year Celebration

STL provided free mandarin oranges to all residents as part of our continuous effort to spread the joy and celebrations of Chinese New Year, and to promote racial and religious harmony among all nationalities.

We also wish to extend our gratitude to the Ministry of Manpower (MOM) for contributing some of the oranges in this initiative.

### 3. SATA Mobile Rehabilitation Clinic

On 13 Jan 2025, STL and SATA started a pilot scheme offering Free Mobile Rehabilitation Services to residence. This initiative aims to educate residents about managing bodily pain and aches. The feedback from residents had been overwhelmingly positive. As a result, STL & SATA plans to provide similar services regularly.

### 4. Football Tournament by the residents

Chinese New Year falls on 29 and 30 Jan 2025, which are Wednesday and Thursday. Many companies took this opportunity to provide extra day off for their employees on Fri & Sat.

While most Chinese are celebrating their New Year, STL allowed our tenant, KPW Singapore Pte Ltd to organized a football competition for their Foreign Workers.

Many of our residents also benefitted by participating as spectators, keeping themselves occupied during the holiday period.
