1. Hari Raya Decorations

STL has been adorned with beautiful decorations since early March 2025 as we approach Hari Raya Aidilfitri which falls on 31 March 2025 in Singapore. From vibrant lights to intricate designs, our dormitory is transformed into a welcoming space that reflects the essences of forgiveness, love and unity shared by the Muslims and everyone in STL. We invite all residents to take a moment to appreciate the decorations and join in the celebration.

2. Singtel Road Show

We are excited to partner with Singtel for a roadshow on 9 March 2025.

This event showcases the latest mobile telecom packages and new phone models available.

It's a great opportunity for our residents to explore the best deals and stay connected with their loved ones.

3. SATA mobile Clinic

As part of STL's continuous effort to improve the welfare of our residents, STL has collaborated with

SATA to provide monthly physiotherapy services. These services aim to enhance the well-being of our foreign workers by offering free check-ups for existing or past injuries related to physiotherapy.

This initiative ensures that our residents receive the necessary medical attention to maintain their health and well-being.

4. Tarawih prayers during Ramadan

Tarawih praying sessions were conducted during the holy month of Ramadan. These prayers provided an opportunity for spiritual reflection, community bonding, and worship.

The sessions were led by MUIS registered Imams and conducted daily in all 5 (five) clusters throughout this period. Participants in each cluster range to 150pax to 350pax daily.

STL is committed to promoting racial and religious harmony within our dormitory. By providing a dedicated space for Tarawih prayers, we aim to support our Muslim residents in their religious practices while fostering an inclusive environment for all.

We encourage everyone to participate and strengthen our community bonds through such practices.

5. Hari Raya Puasa celebration with Migrant Workers' Centre (MWC)

On 29 March 2025, Migrant Workers Centre (MWC) and STL collaborated to distribute free dinners as part of the month of Ramadan and Hari Raya celebrations.

This outreach event provided an opportunity for STL and MWC to mingle with residents and discuss issues related to their stay and work in Singapore, helping us formulate improvement plans in support of and in recognition of their contributions to the nation
