## 1. NEA Fogging Exercise for Dengue Prevention

Throughout December, STL partnered with the National Environment Agency (NEA) to conduct regular fogging exercises across the dormitory. These proactive measures underscore our commitment to dengue prevention and the health of our residents. The fogging operations covered both living quarters and common areas, providing comprehensive protection against mosquito breeding and supporting a safe, hygienic environment for all.

## 2. NEA Daily Inspection

In response to rising dengue cases, NEA intensified its inspection schedule at STL, conducting daily checks throughout December. Our team worked closely with NEA officers, focusing on high-risk areas such as toilets and drains. Whenever potential breeding sites were identified, immediate corrective actions were taken, demonstrating STL's dedication to public health and regulatory compliance.

### 3. CNB and SPF joint operation

On 11 December 2025, STL supported a joint operation led by the Central Narcotics Bureau (CNB), Immigration Checkpoint Authority (ICA), and Singapore Police Force (SPF). The operation aimed to ensure a safe and secure living environment for all residents. Security personnel collaborated with authorities to conduct thorough checks and maintain order, reinforcing STL's commitment to safety and lawfulness.

### 4. International Migrant Day Celebration

In partnership with the Ministry of Manpower (MOM), STL celebrated International Migrant Day with a series of appreciation activities for our migrant worker community. Residents received goodie bags, and selected individuals enjoyed a special outing to Wild Wild Wet at Pasir Ris on 14 December 2025. These initiatives reflect STL's ongoing efforts to support the well-being and happiness of our residents.

## 5. Christmas Day Pasar Malam

To further celebrate Christmas, STL hosted a vibrant Pasar Malam featuring food, games, and festive stalls. The event brought together residents and staff for a lively celebration, adding joy and excitement to the holiday season at the lodge.

## 6. Christmas Movie Screening

As part of the Christmas festivities, STL organized a special movie screening at Socialising Area 3, offering residents a chance to relax and enjoy entertainment together. The event attracted a large turnout, fostering a sense of community and belonging among residents.

# 7. Year End 2025 Grand Celebration

STL concluded the year with a grand celebration, gathering thousands of residents for an evening of performances, music, and festivities. This event was a highlight of the year, showcasing the strong community spirit and unity at STL.
