1. STL Managers and senior staff dinner

STL staff had a break. They enjoyed good food and good music

Held at Pi Si Restaurant to sample the meal for the company dinner on 26 Jan 2023. This dinner was an opportunity for the managers and senior staff to exchange notes, sharing working experiences and good practices. The food was sumptuous and there was a short karaoke session and more boisterous staff belted out their favourite songs to much applause from the rest.

2. Plate load test for soil investigation and structural analysis

The Sungei Tengah Lodge (STL) Addition and Alteration (A&A) consultants project team work with structural engineers from Teamwork Consultants to do the 3 plate load tests at cluster 3, cluster 4 and cluster 5. The results were analysed and the satisfactory results was used for the structural design and submission to the authority.

Soil test and structural analysis

3. Dedicated Transport for residents

LTA works with STL to enforce the requirement for residents to use dedicated transport to and from workplace. STL has increased effort to remind the tenant/employer the tenancy agreement contractual obligation to provide dedicated transport to all their employees/residents. In addition, STL arranged a temporary dedicated transport to pick residents at the bus stop outside STL and drop off at Choa Chu Kang Lot 1. Resident who do not comply was warned that they must do their part or risk eviction

Dedicated Shuttle Service for residents to Choa Chu Kang Lot 1

4. Christmas Party for residents

Residents celebrates Christmas with fun games and good food

Salvation Army sings Christmas Carol to STL residents

STL together with The Salvation Army (TSA) on 17 Dec 2023 at 6pm to 10pm organized a Christmas celebration for residents. Many residents have regularly participated in TCA events and this was a good opportunity for them to invite their friends to this event. There were ice-breaker games, carol singing, children dance, residents choreographed activities and dance. The prizes and goodie bags distribution was well received. Meals were provided to residents. TSA did a short Christmas Good News sharing.

5. Sport Fest on Christmas day

Residents celebrates Christmas day by joining the Soccer and badminton tournament

STL organized Soccer and Badminton tournament. The residents normally have their own outings and activities for public holiday. The participation was lackluster but still reasonable enough for the games to continue. The participants, spectators, supporters and on-lookers enjoyed the games and skill displayed. There were loud jeering and cheering for points won and lost.
