1. Decorations to celebrate Deepavali

Colourful Deepavali decoration at cluster 1

Starting November, the Sungei Tengah Lodge staff put up decoration and lighting for Diwali 2023, the festival of lights. The decoration adorns the 5 clusters to celebrate this festival with joy and enthusiasm. It holds great significance as it symbolizes the triumph of light over darkness. Traditionally it is the worship deities such as Goddess Laxmi and Lord Ganesha. The Indian residents enjoyed the celebrity mood of the decoration.

2. 12 Nov 2023 Deepavali Day Celebration

Sungei Tengah Lodge together with The Salvation Army have organized activities for the Indian residents. There were games, singing, dances and performances. Food was served. Approximately 150 residents attended this event. Everyone had a good time and thoroughly enjoy themselves. The interaction was heartwarming. There were many laughter and applause.

3. Remittance services doing a great service to residents

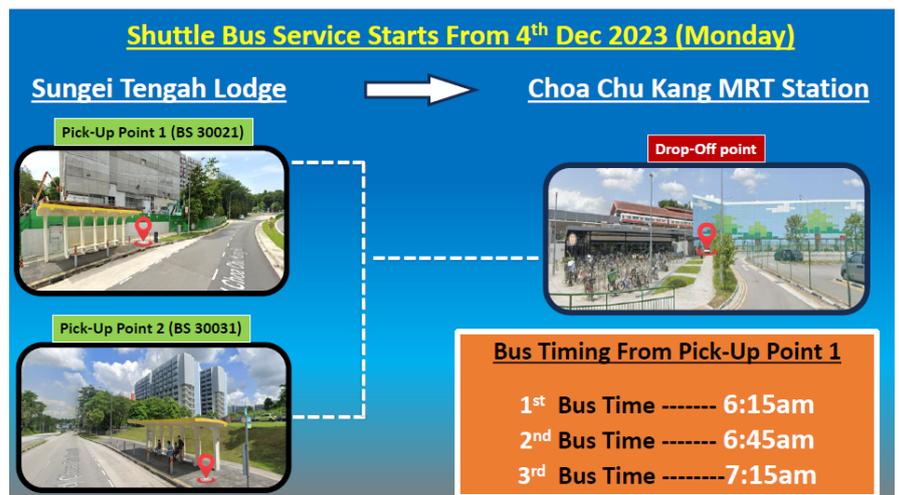

The residents patiently queue for their turn to remit money back to the India for their loved ones. Initially the queue was quite disorganized and STL management asked the remittance company to increase the staff for crowd control and security management. The remittance exchange rates were very attractive because of the one-time offer by the company as part of the Deepavali marketing effort to its regular customers.
