These were done in an orderly and disciplined manner to the credit of all.

2. SCDF Checks for FEDA compliance

Wed 6 Sep 2023 SCDF visited STL to do check on FEDA compliance. The checks were done to ensure the firefighting system was well maintained and physical check on fire extinguishers, fire alarm, fire panel, public address system, emergency exit lights and no obstruction at fire escape corridors. The physical checks were comprehensive and all the firefighting system service reports were available for inspection. The Fire Safety Manager (FSM) and vendors were in attendance throughout the inspection.

3. On-line Information Submission (OIS) system for STL residents

Sungei Tengah Lodge (STL) has put in place an Occupancy Information System (OIS) for our tenant to do on-line Check-in, Check-out, Room-transfer and Home Leave management for their residents staying in STL. This will provide the accuracy of data entry and information without double-handling and possibly error in its recording during the administration period of their residency. The accuracy, faster and paperless process will be environmentally friendly and serve as easy recording of data for valued customers.
