## 2. STL Staff Dinner & Dance 2023

Friday 6 Jan 2023, STL Staff Dinner was a good opportunity to thank all staff and quoting from an extract of the opening speech.

“Our last company dinner was 10 Jan 2020...In that year 2020 and following two years 2021 and 2022, it proved to be a dangerous, frightening and difficult years for all of us and our dormitory operation. There were a lot of challenges and hard work put in by everyone. We learned. We survived. We are wiser and now we are 3 years older.

On behalf of TG25, our shareholders, our directors and management, we would like to thank everyone for working as a team and all the individual effort put in throughout this difficult period. We have done well and there were praises by the authorities on our effort and the high standard of our dormitory operation services throughout this pandemic period.

Now moving on, this dinner was very sumptuous starting with the traditional “Lo Hei” and 8 courses meal with free flow of drinks, beer and alcohol. The event company had a good line-up of entertaining games where many participated and had a raucous and hilarious time. The luck draw has generous prizes and top prize was cash \$2,000.
