Lunar New Year (Chinese New Year) happens this year on Saturday, February 10, 2024. This year ushers in the year of the Dragon. The public holiday Sat 10, Sun 11 & Mon 12 February was an extended period and allows a longer period of rest for all. The Dragon symbolizes ambitious, energetic, and charismatic, often inspiring others with passion and enthusiasm. The Dragon character includes leadership, confidence and unafraid to take risks. We wish all Chinese, a happy, healthy, and prosperous new year. There were decorations at all the clusters and common areas to celebrate these festivities.
