1. Hari Raya Puasa Public Holiday

Muslim residents celebrated Hari Raya Puasa on 10th April

It's time to celebrate Hari Raya Aidifitri! This festival is important for Muslims, marking the end of Ramadan fasting with lots of joy. Families and friends gather to share love and happiness, celebrating their spiritual journey together. It is also a time to express our affection and admiration for those who matter the most in our lives. This is characterized by special prayers, feasting, and giving gifts, particularly to the less fortunate.

At ST Lodge, each cluster has special designated area for the Hari Raya prayers. The MUIS approved Imams and their volunteers were deployed at the cluster security area to guide the Muslim residents to the designated area. The Situation Report 'SitRep' was reported by the security staff regularly and it was peaceful and solemn event.

2. Bicycle Safety Talk

STL supported the talk conducted by SATA on safety tips for use of bicycle. The talk covers the bicycle components, the proper hand sign to use, the safety equipment needed and maintenance required, the proper attire for riders include glove, long pants and covered shoe. This is good information for STL staff to check on maintenance and usage of bicycles by our residents

4. 1st May Labour Day Public Holiday Eve Pasar Malam

STL work with Phan Nee Supermarket to hold a 2 days Pasar Malam event on 30 April and 1st May 2024. There were simple food (burgers), light snacks and drinks on sale. Clothes, jeans, fruits, shoe and sandals were also sold at discounted prices. Many residents visited Pasar Malam browsing through the sale items. The music background helps to generate the noise and buzzing atmosphere of the event.
